

Replacement pushbutton assemblies

How to order complete pushbutton assemblies:

- 1) Find the halo style you need (use drawing on previous page, picture above, or picture and chart below).
- 2) Add suffix to pushbutton part no. that corresponds to the character you want.

Example: ARW450A2-3 is a replacement for Armor (ARW) pushbutton switch assembly with a square black halo (450A2) and the numeral "3" on the button [-3].
