

NAIL PULLER/PRY BAR

This tougher-'n-nails wrecking tool pulls nails at one end, and gives you superior leverage from the other end for opening crates and lifting heavy objects.

Hexagonal bar stock of tempered steel. 18" long. Use anywhere the job calls for an unyielding tool.

ATL404 Nail Puller/Pry Bar.

PUNCH & CHISEL SET

Our 9-piece set gives you a variety of commonly-needed punches and cold chisels. Chisels feature Targethead® design to reduce spalling and mushrooming.

Contents: Two cold chisels (1/2" and 3/4" points); one 5"L prick punch, 3/8"; one 4 1/2"L center punch, 5/16"; three pin punches, 1/16", 3/32", and 1/8"; and two drift punches, 1/8" and 3/16".

ATL402 9-Piece Punch & Chisel Set.

CABLE CUTTERS

Cuts stranded cable cleanly with no frayed edges. High-quality tool manufactured of aircraft quality alloy steel with heat treated cutting edges. Powder-coated handle for longest life.

ATL365 18" Cable Cutters.

ATL368 42" Cable Cutters.

ATL368

NAIL SETS

Our 4-piece set gives you commonly-needed sizes in hardened steel with knurled, slip-resistant shafts: 1/32", 1/16", 3/32", and 1/8".

ATL403 4-Piece Nail Set Kit.

Constructed of durable aluminum alloy, our inclinometer is designed for rugged use under all working conditions.

ATL500 Industrial Inclinometer.

INDUSTRIAL INCLINOMETER

This fully-professional tool reads angles instantly and accurately to a tolerance of 0.5°.

Angle and grade chart shows angles in degrees and converts them to pitch per inch and pitch per foot.

ATL331

9" TORPEDO LEVEL

Features magnetic strip, top-read window. 3 vials: one plumb, one level, one 45 deg. Tinted 360 deg. vials for easy reading.
