

When Ordering Motors
the following information is the minimum needed to provide exact motor identification.

BELT DRIVE MOTOR

| | | | |
|-----------------------|---------------------------------|----------|--------------------------|
| Elevator Manufacturer | _____ | HP | _____ |
| Motor Manufacturer | _____ | RPM | _____ |
| Full Load Amps | _____ | Frame | _____ |
| Volts | _____ | AC | <input type="checkbox"/> |
| Phase | Single <input type="checkbox"/> | DC | <input type="checkbox"/> |
| | Three <input type="checkbox"/> | Serial # | _____ |

SUBMERSIBLE MOTOR

| | | | |
|-----------------------|---------------------------------|----------|--------------------------|
| Elevator Manufacturer | _____ | HP | _____ |
| Motor Manufacturer | _____ | RPM | _____ |
| Full Load Amps | _____ | Frame | _____ |
| Volts | _____ | AC | <input type="checkbox"/> |
| Phase | Single <input type="checkbox"/> | DC | <input type="checkbox"/> |
| | Three <input type="checkbox"/> | Serial # | _____ |

GENERAL MOTOR

| | | | |
|-----------------------|---------------------------------|-----------|--------------------------|
| Elevator Manufacturer | _____ | HP | _____ |
| Motor Manufacturer | _____ | RPM | _____ |
| Full Load Amps | _____ | Frame | _____ |
| Volts | _____ | AC | <input type="checkbox"/> |
| Phase | Single <input type="checkbox"/> | DC | <input type="checkbox"/> |
| | Three <input type="checkbox"/> | Enclosure | _____ |
| | | Serial # | _____ |

DOOR MOTOR

| | | | |
|---|-------------------------------------|-------|--------------------------|
| Elevator Manufacturer | _____ | HP | _____ |
| Motor Manufacturer | _____ | RPM | _____ |
| Full Load Amps | _____ | Frame | _____ |
| Volts | _____ | AC | <input type="checkbox"/> |
| | Shuntwound <input type="checkbox"/> | DC | <input type="checkbox"/> |
| Permanent Magnet <input type="checkbox"/> | Serial # | _____ | _____ |

MOTOR GENERATOR

Generator Side

| | | | |
|-------------|-------|------------|-------|
| Frame | _____ | Duty | _____ |
| KW | _____ | Amps | _____ |
| DC Volts | _____ | Field Amps | _____ |
| Field Volts | _____ | Wound | _____ |

AC Motor Side

| | | | |
|----------|-------|-----------|-------|
| Frame | _____ | Duty | _____ |
| Type | _____ | Enclosure | _____ |
| HP | _____ | Field RPM | _____ |
| AC Volts | _____ | Amps | _____ |
| | | Serial # | _____ |
