

CARTOP, PIT SWITCH, ALARM BELLS

CARTOP INSPECTION STATION

Adams' own universal cartop inspection station features control switches for UP, DOWN, RUN, INSPECT, and STOP. Fire service buzzer warns mechanic of emergency. Includes light bulb socket, bulb guard, and 110VAC outlets for power tools or auxiliary lighting. Wired for CSA.

Includes 2 GFCI outlets. NFP77 requires that outlets on a cartop or in the pit be ground-fault protected to prevent electrocution accidents. We are pleased to offer this feature for high-risk environments.

Selected cartop replacement parts available separately below.

A912GF. Cartop inspection station with all features listed above.

A912CG24. 24VDC cartop inspection station, same as above.

CARTOP REPLACEMENT PARTS	
Adams part no.	Description
A913X	Red toggle switch (RUN/STOP), SPST
A910X2	Bat-handle toggle switch (OPERATE/INSPECT), DPDT
A910X3	White pushbutton switch (UP/DOWN/RUN), SPDT
A910X5	Bulb guard (fits all models) Shown above
A910X6	Bulb socket
HR-1405	Bulb guard plastic (fits all models) Not shown
A910-18	Light ON-OFF toggle switch

PIT SWITCH

Our RUN/STOP pit switch features a sturdy metal safety guard to help prevent unintentional start-up. Meets ANSI A17.1, Rules 106.1f and 210.2e/2g. Even conforms to Rule 210.2e(4), not met by many other pit switches. Replacement toggle switch assembly available separately.

A913. RUN/STOP pit switch, complete.

A913X. Replacement toggle switch assembly; incl. 1 switch, 2 nuts, and 2 screws. SPST.

ALARM BELLS

Mount our replacement alarm bells to the top or bottom of any cab. 6VDC model wires directly to emergency lighting unit.

A915A1. Alarm bell, 6VDC.

A915A2. Alarm bell, 12VDC.

A915A3. Alarm bell, 120VAC.

UNDER-CAB TERMINAL LIGHT AND WORK STATION

Put light and VAC power at your fingertips next time you're working in the pit. Our new under-cab power unit gives you two ground-fault-protected 120VAC outlets and a shielded light bulb socket so you can do what you need to do...and see what you're doing. 100W incandescent bulb recommended (not provided).

Built like a mini cartop! This is a quality item that can save mechanics time and effort at the job site.

Adams part no. **A914.** Under-Cab Terminal Light.
